Our Philosophy

To empower youth through education and advocacy for equity

MISSION

To promote the socially deprived youths to realize their rights to education, leadership, and employment through inclusive policies and actions.

VISION

Our goal is to develop youth leadership for social change and justice, creating a just and inclusive society with equitable opportunities for all to harness their potential.

VALUES

We believe skilled and prepared youth are vital for national growth, guided by six principles: Education, Equality, Collaboration, Transparency, Innovation, and Diversity.

What is Fellowship

The Urooj Fellowship program is dedicated to empowering marginalized youth by fostering their access to education, leadership opportunities, and meaningful employment through exposure, training and capacity building.

What's in it for you ?

SKILL BUILDING

Commencing with a two-day induction and training, followed by several capacity-building workshops the Fellows will be equipped with the basics of skills to initiate their field projects. For 45 days, regular training programs will be conducted across diverse thematic areas.

PEER LEARNING

Fellows will be expected to share their learnings and progress within the Fellowship team and externally, through multiple mediums.

MENTORSHIP

During the fellowship program, each Fellow will be supported by a Mentor to navigate challenges related to the fellowship.
